CLOSING REMARKS

A BENCHMARK INTERNATIONAL PODCAST

Conversations with business leaders, entrepreneurs, investors, and dealmakers.

Closing Remarks is Benchmark International's exclusive podcast, where you join leading CEOs, thought leaders, business experts, and M&A professionals on the front lines of dealmaking to share your insights and experience. New episodes drop every Wednesday, exploring the strategies, stories, and lessons behind successful transactions and lasting legacies. Whether you're an entrepreneur preparing for your next chapter or a professional navigating the middle market, Closing Remarks gives you a platform to share the perspectives that help others stay ahead in today's business landscape.

Audience:

- Business Owners
- Entrepreneurs
- CEOs & Executives
- Investors

Why Participate?

- Share your expertise and story
- Expand your professional reach
- Establish thought leadership
- Connect with business decision-makers

HOSTED BY DARA SHAREEF

BOARD MEMBER & SHAREHOLDER | BENCHMARK INTERNATIONAL

Dara Shareef brings deep operating and transaction experience to his role, having served as a CEO, CFO, and COO across a range of industries. Today, he evaluates strategic investment opportunities and hosts Closing Remarks, where he draws on firsthand experience as both an operator and advisor to explore the deal-making journey through the voices of business leaders. His background gives him a uniquely practical perspective on the challenges and opportunities owners face, making him a natural fit to guide these conversations.
